Modern Curriculum Press

QuickReads (Modern Curriculum Press) Pearson Learning Group Catalog pages 118-119

QuickReads provides a systematic approach to increasing reading fluency. Carefully written text, consistent strategies, and a proven instructional routine are the key elements to this program's success. Each level consists of three books that sequentially develop reading rate. Using high-frequency, decodable, and grade-level appropriate vocabulary, each level presents 18 topics through five connected passages relating to science and social studies. The program engages students with short, interesting nonfiction selections, and monitors meaningful reading through comprehension checks.
